I request school personnel to administer the medication as instructed and agree to (1) deliver the medication to the school in the original container and (2) notify the school if I change physicians or if the medication is changed or eliminated. I understand that if the physician orders an asthma inhaler for self-administration that I should provide a second inhaler to be stored in the student clinic (in the event the student forgets his/hers) and that the student should report use of the inhaler to the nurse for assessment of effectiveness. I agree to hold Cincinnati State STEM Academy and its employees free from all responsibility for the results of such medication.
