## Photo Permission Form

Dear Parent/Guardian,

Our school strives to highlight the many positive accomplishments of our students. To do this, photographs, video images and voice recordings sometimes are taken of students. These images or recordings may be published or broadcast in news coverage, media events and/or district-approved publications and on the Cincinnati State STEM Academy website.

I wanted to notify you of this possibility and request that you give us your approval to have your child photographed or recorded for such purposes. Please complete the bottom portion of this letter by checking the box you prefer, signing your name and adding the date. Please return this form with your registration packet as soon as possible.

If you have any questions concerning this request, please contact me.
